

We are pleased to share **two** exciting **EFISG initiatives** — our new **Fungal Conference and Meeting Calendar** and the **EFISG Webinar Series 2025–2026**, both designed to strengthen collaboration and knowledge exchange within our community.

Share your upcoming meetings with EFISG

Help us build a comprehensive overview of scientific events relevant to fungal infections and clinical microbiology.

Please fill in your details and include information on up to ten upcoming conferences that may interest the EFISG network.

Join our live and free webinar series

We invite you to join our interactive sessions featuring leading experts from across Europe and beyond. These webinars cover essential topics in fungal infections, diagnostics, resistance, and stewardship.

Please register in advance to secure your spot — and feel free to share the invitation with colleagues!

17 November 18, 2025 | 15:00 CET

ESGAP + EFISG: Let's go mushrooming! – An **antifungal stewardship** talk show
Linda Bussini (IT) – Antifungal stewardship in immunosuppressed
Lisa Kriegl (AT) – Antifungal stewardship in the era of new agents
